

JEFFREY BEESON MBA / MA

Keynote Speaker

An explorer of cutting-edge business ideas for today's businesses

**Energizing companies and their leaders
to thrive in an era
where disruptive change is becoming the norm by:**

- Scouting out the **latest trends in business thinking** to advance business success
- Sharing my experience and gained **insights from a broad spectrum of industries** as a strategic consultant, leadership professional and culture-shaper
- Conveying a **results-driven perspective** for organizations which aspire to thrive
- Envisioning the **future transformation possibilities** for organizations
- Sharing the **power of compassion** for both business and life

My current keynotes

Beyond Fear

How we can be successful in uncertain times

Uncertainty is your friend

How you can use uncertainty to secure business success

Where there is life, there are networks

How networks are the ONLY way you can solve the most complex challenges

Author of the up-coming publication by Cambridge University Press
